

Badu Professional 4-11

Design

- Smooth running
- Low-wear materials
- Screws on the suction and pressure sides
- Bellows-type mechanical seal on a plastic protector
- Self-priming pump (assembly max. 2 m. above or max. 3 m. below the water level)

Field of Application

The BADU Professional self-priming pool pump is a real all-rounder for private or public pool and pond units. Due to the flexible connection options and the large strainer tank, it is perfect for: above ground pools, partially submerged pools, built-in pools, swimming ponds, fish ponds.

Badu Professional 18-36
